Code of Studies and Examinations of the University of Pécs

Article 18

- (1) The student may request his/ her transfer to another higher education institution.*
- (2) A student of another higher education institution or student of another faculty, major, level or programme of the UP may request to be transferred.*
- (3) 47 Considering the capacities, a transfer student can be admitted if:
he/ she requests to be admitted to the same training field or section, and/ or one A-level subject/ exam subject is the same as the A-level subject/ exam subject re-quirement of the new major, and
if the student has fulfilled at least two semesters and on the average obtained at least 15 credits each semester during his/ her studies in the field of major where he/ she has started his/ her studies, and
if the student's legal status has not terminated as a result of dismissal or expel-ling for disciplinary reasons, or the conditions of compulsory dismissal or expel-ling are not present at the time of the transfer.*
- (4) In cases of transfer requests, the competent EC to act is entitled to determine further conditions.*
- (5) 48 Such transfer requests ought to be addressed to the competent EC and handed in to the Registrar's Office. To be able to matriculate for the given semester, requests are to be submitted at least 15 days prior to the start of the semester.*
